

WHERE TO NEXT? St Christopher's InnsTM

GET IN TO BED WITH US

Fancy a bed in Amsterdam, Bath, Brighton, Bruges, Berlin, Edinburgh, London, Newquay or Paris? Well we have them and now we're looking for more. St Christopher's Inns offer budget accommodation in the best cities across Europe. On top of that we always build a Belushi's bar into our sites so that our customers can sightsee, sleep, eat and drink to their heart's content. The first unit opened in 1996 and today we have a total of 17 units, offering 2,167 beds in both dormitory and hotel style.

More More More

We want more in the UK and Europe, and we want big ones! We're looking for buildings that are between 20,000 and 30,000 sq ft, in central locations with a minimum floorplate of 2,500 sq ft. They don't have to be existing hotels or bars.

On average our new sites employ more than 25 people and bring in 40,000 guests a year. We are happy to look at freehold and leasehold situations.

Where?

In London we would like properties near King's Cross St. Pancras, Hammersmith, the South Bank, Chiswick, Liverpool Street and any area within the Circle Line. Sites should be within a five minute walk of mainline train or London Underground stations. In the rest of Europe we want to talk to you if you have a site in Barcelona, Paris, Nice, Berlin, Madrid, Seville, the Amalfi Coast and St Petersburg.
